Camp Bandage is an opportunity for professionals to donate their time and knowledge to teach children and adults of our community how to save lives and live safely. Dr and Mrs. A.L. Gerner started Camp Bandage in 1983 and held it annually for many, many years at their ranch in Broken Arrow.

At Camp Bandage, you learn what to do at the scene of all kinds of accidents until emergency help arrives. You can watch, and also participate, as the professionals render emergency care to the various types of "injuries". You will see "victims" of "serious" auto collisions, motor cycle accidents, airplane crashes, near drownings, snake bites, heart attacks, burns, poisoning, fractures, multiple lacerations and much more. The victims at Camp Bandage appear very realistic. They are "pale, bloody, dirty, and screaming" drama students and volunteers. You will learn, through safety awareness training, how to prevent most of the many injuries commonly seen in the emergency centers.

This entire program, which has taught thousands, is made possible by scores of volunteering individuals, agencies and groups who donate their time, talents and resources. Virtually, all government and private agencies, throughout eastern Oklahoma, that deal with medical emergencies and safety training, participate with their equipment, such as fire trucks, ambulances, police cars, medical helicopters, civil defense units and more!

The program is free to the public. It is very practical, educational and exciting for the entire family!

Camp Bandage is operated and registered as a nonprofit corporation. No one, including the board of directors, staff, instructors, etc. receive anything for their efforts, except the satisfaction of knowing they are saving lives!

1st Annual

Camp Bandage Golf Tournament

Saturday, October 4, 2008

*White Hawk Golf Club
14515 South Yale Avenue
Bixby, OK 74008*

Welcome to the First Annual **Camp Bandage Golf Tournament**. Your participation in this event – as a player or a sponsor or both – is helping “revive” a nationally recognized safety program created and made possible by Dr. A.L. Gerner and his wife Shirley for nearly 20 years. Camp Bandage is a 501-C, non-profit organization with a Board of Directors which includes representatives of the Gerner family, the Broken Arrow Police and Fire departments, and several members of Immanuel Lutheran Church.

Camp Bandage will be held May 16, 2009, at Immanuel Lutheran Church, 400 North Aspen. We have included in this brochure a brief history of Camp Bandage and what we are trying to accomplish with the program. There are also sign-up sheets for sponsors and your team which will be participating in the Oct. 4 golf tournament.

We hope you will consider taking part in this fundraiser for Camp Bandage, a program which over the years has made the entire Broken Arrow community a little safer. To follow the progress on Camp Bandage 2009 visit our website, www.campbandage.org. For more information call 918-258-5506 or e-mail terryleemcgrew@gmail.com.

Scoring

Each foursome will compete in a scramble format (each team selects best shot from the tee through the last putt). There will be first, second, third place for gross team scores. A mulligan ball will be available for \$20 per team. This can be used once per hole. Lose the designated ball and the team loses the mulligan for the rest of the tournament.

Foresomes

For convenience, we recommend that you bring a foursome to the tournament. If you are unable to do so, we will assign you to one. This is a shot gun tournament, so the space is limited, so golfers will be accepted on a first paid and received basis.
